1. Daryl Steil will be taking over the handling of the cemetery from Ed Karls. He proposed a donation of 10 adult sites which would equal 20 baby sites in a designated area in the new cemetery for the people of our parish who are experiencing financial hardships and/or would be burdened by the loss of a child. We have set the parameters as there would be no charge for a child four years of age and younger Motion was made by Carol and 2nd by Dennis. The cost of plots for parishioners is \$350.00 and \$1,000.00 for non-parishioners

2. Discussed the purchase of a steamer for the decorating committee. Motion was made by Frank and 2nd by Ann to approve this purchase.
