ACC Update

The committee is meeting tonight 11-21-19 with Father Mathew. They will be working on the mass schedules and working on the name for the cluster. Tentatively Father Mathew will be Rockville's priest as of July 1, 2020.

Pictorial Directory

Pictures for the directory are going on this week as scheduled.

Maintenance Committee

At the present we do not have a maintenance committee and it was discussed that we need to form a committee. It was suggested to add this to the bulletin and also look on the form completed at picture time to see if anyone checked the box for maintenance & repairs. Some of the items discussed that need attention are:

- The parish lawn mower is 30 years old and Frank told Father Ron that parts are hard to find. Frank has been blowing snow for the church using the Lions Blower. Frank will no longer continue to do this. There was discussion about checking on items like getting a new lawn mower or using the cemetery lawn mower and maybe getting a snow plowing attachment.
- There are some items in the parish house that may need to be updated.
- Parish driveway and/or parking lot may need updating or seal coating.
- The cement in the front of the church needs to be checked.

Diocesan Parish Review

The Financial Review on 10-31-2019 reviewed how Rockville Parish processes things. The Controller of the Diocese suggested we look at the insurance coverage for the Church, Parish Center, Cemetery Shed and Parish House to see if we have adequate insurance coverage as it has not been updated for some time. Catholic Mutual has appraisers who can value the properties.

New Business

We discussed whether we want to give the servers a gift again this year. It was decided to purchase a \$10.00 gift card from the Dairy Queen for them, which was approved by Dennis and 2nd by Ann. Ann will take care of getting the cards.

Next Meeting Date: February 20, 2020

Respectfully submitted,
