Financial Report: Ed reported that it was sent to the Diocese. Motion made by Deb, 2<sup>nd</sup> by Jim.

Faith Formation: Fr. Ron reported that on September 27<sup>th</sup> classes will begin. We have enough teachers. Fr. would like to have an adult teaching night.

Old Business: Fr. reported that the new Mass schedule is going good. We have about 200 people at each mass on the average. Not a lot of youth at the Masses, but there are quite a few young families with little ones. There will be a mailing to all parishioners about e-giving.

Cemetery Report: Discussion about putting up the iron fencing along the Chesnut Street in the front of the cemetery with 2 drive-in gates and 2 walk in gates, 360 feet long. Also to do the seeding and planting of the grass, (planting and seeding, (not the seed) donated by Joe and Tom Moliter), and the removal of trees, (done by volunteers). Motion made by Cyndy, 2<sup>nd</sup> by Jim. Voted on unanimously. We will approach parishioners with the opportunity to by a section of iron gate like the windows in the Parish house and possibly do fundraisers.

No new business to report.

Motion made by Dino the adjourn, 2<sup>nd</sup> by Jill.

Respectfully submitted by Cyndy
