We have some happy news this month...three more servers have joined our weekend servers group. They are Isabel and Erica Greenwald and Savannah Lommel. A warm welcome to each of them. Going forward, as far as frequency of serving, I will try to rotate the schedule so each server is on every other month for sure. Also, come mid Feb., I will be calling already to complete the Holy Week (last week of March) schedule for servers.

Ministers for Ash Wednesday, Feb. 14th will be notified.

Thanks to all for your faithful help.
